

Jacket care and cleaning: Hand wash or machine wash gentle cycle, inside out. Lay flat or hang to dry. Do not dry in dryer. Iron lightly, if needed, on coolest setting with garment inside out. Do not iron directly on decoration. If you wash jacket inside out and hang to dry, you shouldn't get wrinkles, and should not need to iron it.

Do not dry clean. **Any heat or steam on garment will cause glue to dissolve resulting in loose or missing stones/spangles.**

If you want your dancers name on the back of jacket, fill out the following order form and return to studio in a bag with name on it. **All jackets must be labeled with name** so they don't get mixed up. Names will be on the bottom of the jacket, under logo, in 4-5" tall letters, depending on how long the name is. Can be first name, last name, or nickname. (most dancers prefer first name or nickname) Special characters such as hyphens, apostrophes or accents over letter are no charge.
